MEMORANDUM FOR: Inspector General

THROUGH: Deputy Director for Intelligence *RJS*  
Executive Director - Comptroller

SUBJECT: Inspector General's Report on the NPIC Photographic Laboratory Branch

REFERENCE: Memo for Director, NPIC, from the Inspector General, dated 4 October 1966; Subject: Dissension in the Photographic Laboratory Branch

1. I have reviewed the Inspector General's report of 4 October 1966 in which he has made eight recommendations. I am in agreement with these recommendations which are currently being carried out.

2. I am attaching a Status Report detailing the actions that we have taken on each of the recommendations. Also attached for your information is a copy of the Photographic Laboratory Rotation Plan which is being put into effect by the Chief, Production Services Division.

3. We appreciate the work done by [redacted] of your Staff. His report has been most helpful in dealing with this situation. I feel assured that the Photographic Laboratory Branch is making good progress in resolving the problem which brought about my request for your assistance in this matter.
